

End User Declaration

As a matter of high priority, it is the policy of ULVAC Technologies, Inc., to comply with both the letter and spirit of the laws and federal regulations restricting the transfer, export, sale or disposal of any product or technical data from the United States. This includes not dealing with embargoed countries (currently CrimeaRegion of Ukraine, Cuba, Iran, North Korea, Syria and Venezuela) and not selling with Denied Parties. Parties in Russia are subject to denial for all but humanitarian users and end uses due to the current war with Ukraine. Parties in China and Hong Kong are subject to license for military end users and uses with a presumption of denial. Further, there are restrictions on advanced computing and semiconductor manufacturing items destined for China or Hong Kong. The intended use is not to be for the proliferation of weapons of mass destruction, missile technology including UAV (Unmanned Aerial Vehicles), nuclear weapons, biological and chemical weapons, or any other controlled applications. For the above stated reason, we kindly ask you to fill out the following information and respond to the questions below.
